2. Grants are limited to no more than one person per member institution.
3. A fixed amount of €200 will be awarded to successful applicants. This will cover the conference package which includes the conference fee and the majority of food and drink for the duration of the conference.
4. Applications must be received by the ECPR Central Services by 1700 hrs on 30 April, 2010. Applicants will be informed of the outcome of their application as soon as possible after this date.

Selection/eligibility criteria:

1. Applicants must at the time of the Graduate Conference be registered PhD students at an ECPR member (or associate member) institution.
2. Grants will not be awarded to anyone who has received an ECPR mobility fund award within the past year.
3. Only students who are self-funded (i.e. whose institution is not contributing towards travel and/or accommodation expenses) are eligible to apply. Therefore, evidence (a letter from the student's supervisor and head of department) must also be provided, confirming that the recipient of the grant is self-funded.
4. Applicants must be presenting a paper and where that paper is co-authored, must be the presenter of that paper.
5. Priority will be given to student applicants who are more advanced in their research.
